# Troop 182G Camp Duty Roster Responsibilities

## Head Cook

Wash hands, determine recipes, assign responsibilities to assistant cooks and others, prepare meals, advise Patrol when meal will be served ensure all utensils used for cooking are clean.

## Assistant Cook

Assist with meal preparation as determined by cook, prepare hand washing station with warm water and rinse water (use same tubs used for cleanup), heat water for clean up.

## Fire Builder

Arrange or clean fire pit in accordance with Scout policy. Find and stack wood needed for fire or start charcoal if needed. Ensure fire buckets are full of water. Keep fire going throughout meal. Ensure fire is completely out when no longer needed.

## Water

Keep water jugs full and refill when needed. Fill fire buckets. (Fire Master will double check, but primary responsibility belongs here. ) Purify water if fresh water is not available.

## Kitchen Cleanup

Wash all non-personal utensils and cooking equipment. Each Scout washes her own personal gear. Clear table and secure Patrol box. Oil Dutch oven if used. Notify Quartermaster if any supplies are needed.

## Site Cleanup

Dig/setup/clean latrine. Set up and secure camp gadgets. Secure garbage bags at night and start new one when current one is full. Responsible for AX yard set up.

## Other Patrol Responsibilities

The whole patrol should share campsite set up. After pitching individual tents, the Patrol may want to setup dining fly or Chuck box, secure their food and Patrol box. Gather fire wood for the weekend. Build any camp gadgets agreed upon by the Patrol. At the conclusion of the camp out, the site should be returned to the same condition it was in with all trash carried out and brush returned where possible. Fire ring should be dispersed, leaving no sign if this was a new established by the Patrol. Secure sump hole and latrine area.
